Orphans Know More is a ministry of Youth With a Mission.  
 Orphans Know More - USA, a project of Congressional District Programs, Inc. a registered 501 (c)(3) public charity

# THE GIFT MENU

Giving orphans a face, a family and a future

# A Face, a Family and a Future

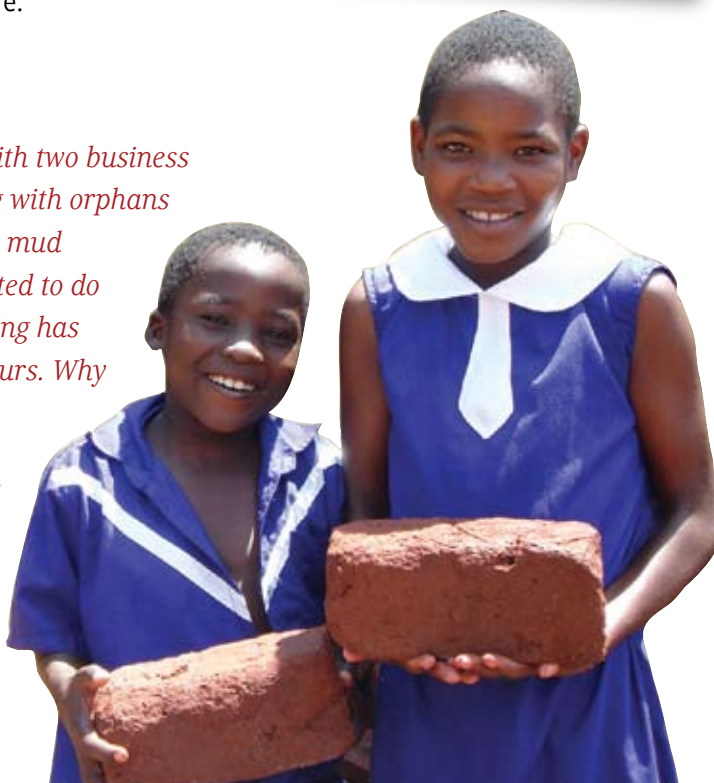

**ORPHANS KNOW MORE** is a relationally based partnership between African families we know personally who are caring for orphans and vulnerable children. There are over two million children in Uganda that have lost one or both parents because of AIDS. Some of them have lost parents because of the civil war in the northern region of the country.

We strongly believe that the best structure for a child to grow up in is a family. Being in a family dispels the stigma of being an orphan. Your gifts will help us work together to strengthen families to give these children a face, a family and a future.

*"Four years ago I went with two business friends to Uganda. Sitting with orphans and widows outside their mud huts, we decided we wanted to do something to help ... Giving has changed their lives and ours. Why not let it change yours?"*

**John Peachey,**  
Orphans Know More Co-Founder

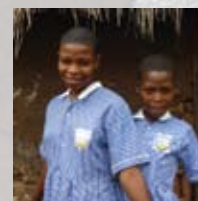

# Menu Gift Choices

**Elementary School Education**  
**\$15** gives a child elementary school education for one month.

**Mosquito Net**  
**\$8** buys a life-saving gift treated to protect against malaria for up to five years.

**High School Education**  
**\$25** gives a high school student education for one month.

**Bicycles**  
**\$100** purchases a bicycle for young people to be able to get to the fields to plant and dig their crops.

**School Supply Kit**  
**\$18** helps families provide a child with textbooks and school supplies.

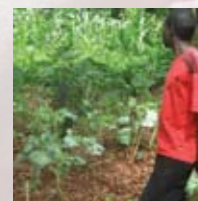

**Building Materials**  
**\$150** provides basic building materials for a new home built in partnership with Habitat for Humanity.

**Home Visits**  
**\$10** pays a social worker for a day to provide counseling support for children and families.

**A Widow's Mortgage**  
**\$40** covers a mortgage for a month. Those who receive a new Habitat house repay the loan over five years.

**Plot of Land and Garden**  
**\$1500** buys a plot of land for a widow and her children so they can build a house and grow their own food.
